CELEBRATING CULTURE & DIVERSITY IN NORTHERN ONTARIO

MANITOUWADGE, ON – September 2 staff, students and parents from École Publique Franco-Manitou celebrated the Francophone culture with special activities for Franco-Ontarian Flag Day. Walking to the Lions' Beach the group released green and white balloons, representing the colours of the Franco-Ontarian flag.

More info about EPFM's Flag Day incl. photos and video visit www.OntarioNewsNorth.com/?p=52336

by OntarioNewsNorth.com

TERRACE BAY, ON – Partners École Catholique Franco-Terrace, Superior North CFDC, and the Township of Terrace Bay raised the Franco-Ontarian Flag yesterday in recognition of "Franco-Ontarian Flag Day" celebrated each September on the 25th.

Franco-Ontarian food specials and other traditional French Canadian items were also served at local francophone owned businesses Roy Pizzeria & Subs and the Terrace Bay Bakery to recognize this special day.

by Sean Irwin www.OntarioNewsNorth.com/?p=52281

DUBREUILVILLE, ON – Les élèves et le personnel de l'École Secondaire l'Orée des Bois ont célébrer le jour du drapeau Franco-Ontarien avec une variété d'activités organisé par le conseil-étudiant y-inclus : un souper en commun, banderole annuelle , dîner en commun , activité sur la chanson franco-ontarienne et une joute de flag football.

World Habitat Day
 support • Habitat for Humanity • support

In December 1985, the United Nations General Assembly declared the first Monday in October to be World Habitat Day; this is a day each year that is set aside to recognize the basic need for adequate shelter in a world where it is lacking for so many.

On Monday Oct. 7, 2013 Habitat for Humanity Thunder Bay will observe World Habitat Day to highlight the need for safe, decent and affordable shelter.

Join us to celebrate World Habitat Day:

MARATHON TEAM DEFENDS ITS TITLE CLAIMING THE 2013-14 NSSSAA GOLF CHAMPIONSHIPS

Information courtesy Erin Langevin, Convenor NSSSAA Golf Championship.

Watch Coach Langevin's interview on the highlights of the tournament at:
<http://youtu.be/Si0X-hgPaHA>

NIPIGON, ON - 52 golfers competed at the Northshore Secondary School Athletic Association (NSSSAA) 2013-14 Golf Championships this week hosted by Nipigon Red Rock District High School at the North Shore golf Course.

Four lowest of 5 scores make up team total. Top 3 teams are advancing to NWOSSA in Geraldton next Thursday, September 26. Play was called due to weather after 14 holes so the scores below are 9-hole totals for the 4 person team, not 18 hole totals.

Marathon High School defended their title with a winning team score of 185; in second: Nipigon-Red Rock District High School with 198 and third place was claimed by Ecole Secondaire L'Orée des Bois (Dubreuilville) with 204.

Frank Desmoulin won the gold medal for lowest individual male with 38 while Krista Leach took the lowest individual female gold with 76.

The lowest five individuals not on qualifying teams also advance to NWOSSAA, they are:

- Frank Desmoulin, Migizi Miigwanan SS
 - Brad Wilson, Lake Superior HS
 - Ben Kurish, Geraldton Composite HS
 - Jeremy Newton, Manitouwadge HS
 - Nathan Keough, Manitouwadge HS
- Congratulations to all those who competed!

government's commitment to the forestry industry and to preserving and creating jobs in Northern Ontario. The opening of the Becker Cogeneration Plant represents a major turning point for the entire community of Hornepayne and will bring substantial savings to the Haavaldsrud sawmill. Our government continues to work with forestry businesses to strengthen their competitiveness and to help create long-term prosperity in Northern Ontario communities."

- Ontario's support for this project includes a conditional grant of \$11.867 million through the Forest Sector Prosperity Fund, a \$17.8-million loan guarantee through the Forest Sector Loan Guarantee Program, and \$1 million from the Northern Ontario Heritage Fund Corporation.
- The \$66-million cogeneration facility is next to existing lumber-manufacturing facilities, creating 20 new jobs, saving 100 more at a nearby mill and supporting an estimated 40 indirect jobs in collecting forest biofibre.
- Olav Haavaldsrud Timber Company Ltd. is the second-largest employer in Hornepayne.
- The plant will consume 175,000 to 200,000 tonnes of sawmill wood by-products annually.

HORNEPAYNE MILL & CO-GEN PLANT OPENING

HORNEPAYNE, ON - With support from the Ontario government, Olav Haavaldsrud Timber Company Ltd. has opened the Becker Cogeneration Plant. This 10-megawatt facility will use sawmill wood by-products to generate electricity for the provincial power grid and produce heat for nearby sawmill and kiln operations.

"This new plant will not only have economic rewards to the community of Hornepayne, but will also change the landscape of the forest industry. We would like to thank the Ministry of Natural Resources for its commitment and dedication to this project and thank the province for its

financial support." Carlo Bin, President, Becker Cogeneration Plant and Olav Haavaldsrud Timber Company Ltd.

Supporting an innovative forest industry is part of the government's Growth Plan for Northern Ontario. A strong northern economy will help create a fair society and give the people of Ontario more opportunities for jobs and economic prosperity.

"This is a prime example of our government's commitment to the forestry industry and to preserving and creating jobs in Northern Ontario. The opening of the Becker Cogeneration Plant represents a major turning point for the entire community of Hornepayne and will bring substantial savings to the Haavaldsrud sawmill. Our government continues to work with forestry businesses to strengthen their competitiveness and to help create long-term prosperity in Northern Ontario communities."

David Oraziotti, Minister of Natural Resources

INDUSTRIAL RD UPDATE: Mtwdge Councillor Delivers Petitions to Minister Gravelle

While attending the NOMA NWO Regional Conference, Thursday, September 26th, Manitowadge Councillor Sheldon Plummer delivered Industrial road petitions signed by approximately 700 residents of Northwestern Ontario, to MPP Michael Gravelle, Minister of Northern Development and Mines.

The petition outlined the interest, of those who signed, of having the Minister and other provincial representatives, working to establish a long-term agreement for maintenance of the road which links Manitowadge to the Municipality of Greenstone, specifically the communities of Caramat, Hillspport and Longlac. The Industrial Road (aka Hwy 625) is no longer maintained by the MNR and, without maintenance, 2 washed out locations are not able to be crossed by regular vehicular traffic. The lack of maintenance of the road leaves Manitowadge residents without a reliable 2nd route should Highway 614 be closed for any period of time. Hillspport residents, many of whom travel to Manitowadge for mail pick-up, health services and access to ServiceOntario (or other government services) among other things, are also left without a reliable, well-travelled route to Manitowadge.

For links to all the articles, interviews, correspondence, etc. published by ONN on the topic of Industrial Road visit:

www.OntarioNewsNorth.com/?page_id=51488

COMMUNITY WELCOMES 3 NEW BUSINESSES

MANITOUWADGE, ON – Summer wrapped up with some good economic news in Manitowadge as 3 new businesses opened their doors in August and September; Patiff Auto Care, on Sault Rd in the industrial section, the Select Inn, on Manitou Rd (previously known as Manitowadge Hotel and before that the Zero-100) and Twice as Sharp a hair and beauty salon on Huron Walk in the downtown core.

Patiff Auto Care is owned and operated by licensed mechanic Pat David, and his wife Tiffany David, who have been business owners in Manitowadge for a dozen years as owners of Patiff Enterprises through which they are also Petro Canada Agents.

The Select Inn is owned by Chaagan and Daxa Mistry who also own a hotel in Iron Bridge. They've renovated the hotel which had been closed for nearly 6 yrs and opened 12 rooms to start along with a continental breakfast lounge, conference space, and common room/lounge at the entrance. Mistry explained that he hopes to open the remaining 10 rooms once the hotel has been successfully operating for at least a few months.

Finally Twice as Sharp is owned and operated by Linda Baril who had previously been employed as a hairdresser and manicurist at another local salon. In addition to traditional hair salon services Baril is also certified to offer a variety of other modern beauty treatments including manicures and pedicures. Baril enjoys attending training and networking opportunities which allow her to stay up-to-date on the latest trends, techniques and products to offer her clients a full range of modern services.

Full articles with details on the opening of each of these businesses (and related photos) can be found at www.OntarioNewsNorth.com by using the Search (top portion of page) and entering the name of the business for which you are seeking info.

Interviews with Pat David and Chaagan Mistry about their new businesses can also be found on ONN's English youtube channel at:

www.youtube.com/KarinaHunter

PHYSICIAN RECRUITMENT TERRACE BAY & SCHREIBER

TERRACE BAY, ON - The Township of Terrace Bay and Aguasabon Medical Clinic recently attended the health recruitment fair in Thunder Bay on behalf of a partnership also including the North Shore Family Health Team, JE Stokes Medical Centre, The McCausland Hospital and the Township of Schreiber.

J.E. Stokes Medical Centre in Schreiber has a vacancy for a full-time family physician beginning in January 2014. The Aguasabon Medical Centre has a 9 month maternity leave beginning in January as well that they are looking for physicians to cover. Lead Physician for the Aguasabon Medical Centre Dr. Annabella Zawada says "Historically we have not had many vacancies at either clinic as the region offers an attractive lifestyle and the work is at a more relaxing pace than physicians may normally be used to."

A health recruitment plan is being developed by the regional healthcare partners for consideration. For more information on health recruitment in Terrace Bay & Schreiber, visit www.TerraceBaySchreiber.ca/health.

SCHOOLS WALK FOR TERRY FOX FOUNDATION

HOLY ANGELS SCHOOL

Above: JK/SK class with Ms. Hara & Mrs. Figliomeni. (Photo HAS)

SCHREIBER, ON—The sun shone down as the staff and students of Holy Angels School participated in their annual Terry Fox Run in support of cancer research on Friday, September 13. Before the run, the children were educated about Terry Fox and what he attempted to do, and they learned about cancer. Students fundraised by collecting pledges and the staff donated their dress-down money to the cause.

by HAS www.OntarioNewsNorth.com/?p=52281

MANITOUWADGE PUBLIC SCHOOL

MANITOUWADGE, ON - This time of year holds a special place in the hearts of everyone - especially schools.

This year September 26th was designated as the Terry Fox National School Run Day.

As in previous years, MPS students were out in full force to honour a very motivated and inspirational young person, Terry Fox. The Manitowadge Public School holds dear Terry's memory, his spectacular feat and his phenomenal contribution to cancer research and it is great to see young people carry on the tradition by collecting pledges for this great cause.

This year three of our students, Taya, Miah and River Wheadon, went way beyond and raised a whopping total of \$583.50 for the Terry Fox Foundation!!! Our goal was to raise \$700.00 and we did it!!!

Congratulations to the students of Manitowadge Public School for another job well done!

by MPS View additional photos from the MPS walk at www.OntarioNewsNorth.com/?p=52412

Below: Students from Manitowadge Public walking for the Terry Fox Foundation (Photo MPS)

OUR LADY OF LOURDES SCHOOL – At time of publication OLOL had not yet finished counting all the funds raised by their students however they could confirm that the total collected had already reached over \$300!

MHS Wolverines in Kenora

Photography by Linda Dubreuil-Osiecki

Linda Osiecki couldn't resist snapping some photos recently while cheering on her son, Cody, and his team the Manitowadge High School Wolverines' Boys Volleyball as they left it all on the court during an invitational tournament they attended in Kenora. Linda was one of the parent-volunteers who provided transportation so the team could represent their school and community at the tournament.
