MORE ADVERTISING OPPORTUNITIES...

ADVERTORIALS start at just \$25/article (add \$5 for each additional home-page visible category) and are promotional articles or posters published as news items (must have either a current event or informative element). Being published as regular news, an advertorial's teaser text (first few sentences of an article) and photo will appear under the Northern Headlines (Column 1), and any other columns the item is relevant to, on the home page. In community news, depending on # of articles being published afterwards, an advertorial can remain visible for many days.

COMMUNITY TICKERS sponsored by an advertiser; \$70/wk, \$200/mth, link to their webpage, calendar, or document and allow non-profits in the community to advertise in the ticker for free. Advertisers publish their message in a community ticker for just \$0.75/day, \$3/wk, max 50 words.

COMMERCIAL ADVERTISING is also available during LIVE! broadcasts. Commercials (video) can be provided by advertiser or created by OntarioNewsNorth.com (production fees apply).

Sponsor **TOWN COUNCIL LIVE BROADCASTS** in Manitouwadge or Schreiber to help keep your community well informed of current issues by bringing council meetings into the homes of residents. Sponsorship of LIVE! Council Broadcasts [**\$325/broadcast**] incl. sponsor logo in video viewer, ticker messages during broadcast (Message w/link(s) every 30min.) and sponsor recognition in all promotion of LIVE! Council Broadcasts.

NEWS PARTNERS are listed on dedicated page, recognizing their contributions to bring DAILY NEWS to Northwestern Ontario, see site for details of how to become a news partner.

St. Martin School Students Get Their Hearts Pumping!

Written by St. Martin School on 07 March 2011

*From the Editor: As you read this great story, please note the authors – 3 St. Martin School students! Wow! Great work!

St.Martin School News

By: Tatum Fournier, Olivia Szczepaniak, and Breanne Woods

TERRACE BAY, ON – 1,2,3, JUMP! What happened in the St. Martin School gym that involved sweat, jumping, and a lot of fun? The students participated in the Heart and Stroke Foundation's 'Jump Rope for Heart' and 'Hoops for Heart' events on the afternoon of Friday, February 18. The students were asked to raise money for the Heart and Stroke Foundation and bring it in on the day of the event. In total, \$618. was raised!

Students got a very good work out and got their hearts pumping from many activities. "My favourite game was Snakey because it was really, really fun and it made me sweat!" said Owen Szczepaniak. The primary students (JK- Grade 4) participated in jump rope activities which included Snakey, jumping with hula hoops, and a jump rope maze. Jorja Fournier said she enjoyed hula hoop jumping the best. Two students from the Grade 5/6 class helped by instructing the younger kids at each station.

Following the Jump Rope for Heart activities were the older students (Grades 5-8), who participated in 'Hoops for Heart'. The two stations that got their hearts pumping were 'Bump' and 'Around the World', which both focus on shooting baskets. "My heart was pounding after that intense game of Bump!" exclaimed Breanne Woods. Another station was about setting goals to stay healthy and active.

Overall, the events that day were exhilarating and fun. It helped the students to always remember to keep their heart healthy and stay active!
