Everyone was thrilled to see Smokey (eventually - he did need to warm up to one young friend) Photos Jeff Anderson

### 6TH ANNUAL BASS BLAST WELCOMES APPROXIMATELY 150 YOUNG ANGLERS!

**RAINBOW FALLS PROVINCIAL PARK, ON** – Saturday, July 6th the 6th Annual Bass Blast kids fishing derby was hosted by the Ontario Ministry of Natural Resources and local OPP Detachment.

The annual derby is non-competitive, focusing on the fun of fishing; it is part of the Canada-wide celebration, *National Fishing Week, and Ontario's Family Fishy Week, July 6th through 14th.*

Forest Fire Prevention was this year's theme with children completing a Smokey Bear Forest Fire Prevention worksheet challenge. The incredible grand prize, donated by Dr. McLeod from the Aguasabon Medical Clinic and Home Hardware Terrace Bay,

Grand Prize Winner Pamela Martin and her father Derek. Photo Jeff Anderson

consisted of:

- North Face 6 person tent,
- 2 Roots sleeping bags & mats,
- two kids folding chairs,
- picnic kit with cooler,
- Colman LED Lantern,
- a tackle kit,
- Inferred barbeque,
- First Aid kit
- Fire extinguisher.

The lucky Grand Prize winners, drawn randomly from among all those who completed the fire prevention worksheet, were Terrace Bay residents Pamela Martin and her father Derek Martin.

The day wrapped up with each of the participating anglers, approximately 150 kids and their parents, choosing a prize from among the many provided with the generous support of local businesses.

Ontario Ministry of Natural Resources Conservation Officer Jeff Anderson thanked all those who participated, volunteered and contributed to make the 6th Annual Bass Blast fishing derby a wonderful success! Among this year's generous sponsors were; Fishing Forever, a not-for-profit organization dedicated to funding worthwhile fishing, conservation and education projects, the Police Association of Ontario, Rainbow Provincial Park, Canadian Tire, Ministry of Natural Resources Nipigon District, Ontario Provincial Police Schreiber and Nipigon Detachments, and the Ontario Provincial Police Association (OPPA).

All the photos and a video interview with CO Jeff Anderson about the derby at

Playground facilitators & participants Trick or Treat at the Twp office. Photo Community Services

**MANITOUWADGE NEW FULL-DAY PLAYGROUND PROGRAM By ONN**

**MANITOUWADGE, ON** – The Township of Manitouwadge Community Services Department's Playground program is very busy again this summer with lots of learning, fun and adventure for participants aged 4 through 9yrs of age. Theme days including most recently; Christmas, Easter and Halloween put a fun spin on crafts and games.

Community Services chose for 2013 to provide parents with new options as children can be registered to participate during the morning, afternoon or full days and feedback has been overwhelming positive in regards to the added hours especially for parents who work full time and may not otherwise have a full-day childcare option.

In addition to the extended hours, children registered for the program now have the option to also be registered for swimming lessons at the Oasis Pool (adjacent to the recreation centre where Playground is held) as Playground facilitators bring walk the children to and from their lessons "My kids have never taken swimming lessons" explained one Mom whose 2 children are registered for the full 8 weeks of playground "It's great that the kids can now do both [Playground and swimming lessons], they are really enjoying it." Because both parents in the case of the aforementioned family, work full time their children would not have the opportunity to enjoy swimming lessons if the option was not available within the Playground program.

Community Programmer Shawna Patterson confirmed that the feedback she has received to date has all been positive with many happy parents and kids taking advantage of the summer programming being offered. Playground registrations are still being accepted, contact the Township for full details (fees are **very** reasonable) at 826-3227.

## TBDHU DISTRICT BEACH TESTING RESULTS

**THUNDER BAY DISTRICT, ON** - Public health inspectors sample beaches in the district (Northshore & Greenstone) once a month from the middle of June to the end of August, OntarioNewsNorth.com publishes the results as they become available.

High levels of E. coli (bacteria) in recreation water can cause health related problems in swimmers. If bacterial tests indicate that levels are unsafe for swimming or other water recreation, OntarioNewsNorth.com will share information and/or public advisory details provided by the Health Unit as they are received. **All district beaches sampled July 10<sup>th</sup>, 2013 are OPEN:**

- **Shuniah** – Wildgoose Beach
- **Red Rock** – Pull-A-Log Beach
- **Nipigon** – Loftquist Beach
- **Schreiber** – Whitesand Lake Park
- **Terrace Bay** – Dockside
- **Marathon** – Lions Penn Lake Park
- **Manitouwadge** Lake

## CONSTRUCTION SET TO BEGIN ON INNOVATIVE NIPIGON RIVER BRIDGE

MINISTRY NORTHERN DEVELOPMENT AND MINES.

### Ontario Government Strengthening Northern Economy, Creating Jobs

Ontario is supporting more than 1,000 jobs with the construction of a new four-lane cable-stayed bridge along the Highway 11-17 corridor east of Thunder Bay.

Construction of the bridge over the Nipigon River will be a key part of the TransCanada Highway and replace the existing two-lane structure. Work will also include widening the approaches to the bridge to four-lanes. The structure will also include a walkway. This project will make travel easier and safer for families and industry while strengthening tourism and the economy in the north.

"I am tremendously pleased that our government is continuing to support important northern infrastructure with the Nipigon River Bridge project nearing construction. Once completed, the Nipigon River Bridge will be a magnificent structure and will certainly improve travel for countless local residents, visitors, businesses and families. This cable-stayed bridge will be the first of its kind in Ontario and is sure to become a destination attraction in its own right." Michael Gravelle, Minister of Northern Development and Mines.

### Quick Facts

- Bot Construction was awarded the \$106 million contract. Work completion expected in 2017.
- This cable-stayed bridge will be the first of its kind on the provincial highway system.
- Another 14-kilometre section of this corridor from Mackenzie Road to Birch Beach is nearing completion and will be open to drivers in 2013.
- Highway 11-17 corridor expansion will involve 104 kilometres.
