

Thunder Bay Field Naturalists

Box 10037,
Thunder Bay, Ontario
P7B 6T6

Thunder Bay Field Naturalists are purchasing a 1,239 acre parcel of pristine Lake Superior shoreline, including 15 small islands near the community of Terrace Bay. We will protect this significant land as a Nature Reserve. This coastline (10.5 km long) is in the new National Marine Conservation Area. A popular segment of the famous Casque Isles Hiking Trail runs through the property. The land will be open to tourists and members of the general public to enjoy hiking, photography, snowshoeing, nature appreciation, kayaking and canoeing.

Please help us to protect this significant piece of our Lake Superior shoreline. Mail your donation using the form below, or donate online using credit card or PayPal at www.tbfn.net. We also welcome donations of stock or equities. For more information on this option, contact Susan Bryan, Nature Reserves Chair, at (807)345-6446 or bryan@tbaytel.net. A tax receipt will be provided for all donations. Please give generously.
